TENT/CABIN GROUP REQUEST POLICY

Campers are placed in tent and cabin groups by age/grade in school and by gender. Group assignments are made within the three weeks prior to camp or when all spots have been filled. Families may request up to two campers to be in the same group as their child, with the children being within one year of age of each other. We will do our very best to honor all tent-mate requests, but due to other family's requests, age and grade breakdowns and dates of registration, we cannot 100% guarantee that all group requests will be granted. If you request more than two group mates, we will simply honor your first two listed. Please read our full registration and tent/cabin group request policy on our Youth Camp webpage.
