OFRC encourages applications from all qualified individuals without regard to race, color, religion, gender, gender identity or expression, age, national origin, marital status, citizenship, disability, veteran status, and record of arrest or conviction, or any other characteristic protected by applicable law. Black people, Indigenous people, people of color; lesbian, gay, bisexual, transgender, queer and intersex people; Women; people with disabilities, protected Veterans, and formerly incarcerated individuals are all strongly encouraged to apply for our open positions

As recent studies have shown, women and people of color are less likely to apply for a position unless they match every described function in a job posting.
